

CHI
SIAMO

Tradizione e tecnologia, questa la sintesi della nostra azienda che, non rinunciando a **lavorazioni artigianali**, ha sempre proteso all'innovazione, trovando un equilibrio tale da essere un importante punto di riferimento nel settore delle **cappe di aspirazione**.

Progettazioni ad hoc, cura dei dettagli ed un continuo confronto con il cliente, questi gli elementi che ci consentono di realizzare **prodotti unici** e perfettamente conformi alle molteplici necessità di chi sceglie Artel.

Dalla progettazione all'installazione, **Artel garantisce**, grazie al suo personale altamente specializzato, un'assistenza precisa ed una perfetta esecuzione delle richieste dei nostri clienti, con uno sguardo sempre attento alle nuove

Tradition and technology, this is the synthesis of our company that, without giving up **craftsmanship**, has always strived toward innovation, finding the balance that became an important **point of reference in the suction hood sector**.

Tailored-made design, care for details and constant comparison with the customer - these are the elements that help us make **unique products**, perfectly compliant with the needs of those who choose Artel.

From design to installation, **Artel ensures** - through its highly specialized staff - accurate support and the perfect completion of our customers' requests, with a careful eye to new trends and field technologies. A good product that lasts

tendenze e tecnologie del settore. Un buon prodotto che duri nel tempo ha bisogno di materiali di prima qualità e questo è il dictat della produzione Artel. Sempre al passo con i tempi, la tecnologia non si arresta ed Artel, grazie a macchinari all'avanguardia ed un team di tecnici sempre in aggiornamento, riesce a garantire cappe moderne ed efficienti.

La passione per il proprio lavoro ed una **grande esperienza** sono il motore che consente al nostro staff di realizzare piccole opere d'arte di artigianato.

Tante esigenze, a volte sfide, con cui ci misuriamo con tanta professionalità, per garantire ai nostri clienti un prodotto che sia perfettamente adatto alle loro necessità.

over time needs first-rate materials, and this is Artel's production cornerstone. Always in step with times, technology never stops, and Artel - with cutting-edge machines and a technical team always up to date - can ensure modern and efficient hoods.

The passion for our job and a **sound experience** are the engine that helps our staff create small craftsmanship gems.

Many requirements, and sometimes challenges, that we take on in a professional way to ensure a product that matches our customers' needs.
